RECYCLING EQUIPMENT

The **EBC 1100 litre Little Foot Bin Compactor** reduces weekly waste collections; saving money on waste disposal costs. The EBC1100BC will create space by reducing the number of bins required to store waste allowing for a smaller, cleaner and tidier waste storage area.

BENEFITS OF THE EBC 1100 BIN COMPACTOR

- The EBC 1100BC will compact up to 3 bins into 1, generating savings on waste disposal of up to 66%.
- The reduction of waste volume lowers the necessity for excessive waste collections. This contributes to reducing your overall carbon foot print.
- The two handed operational management systems makes this machine safe and easy to use.
